MEMORANDUM FOR: Project Contracting Officer

SUBJECT : Definitive Contract With [REDACTED]  
to Support THERMOS Work

1. Attached is SAPC-21953 of 29 November 1957 from [REDACTED] of [REDACTED] discussing the nature of the THERMOS work to be performed at [REDACTED] in conjunction with the [REDACTED] work at Fort Wayne. Will you have a contract prepared in the amount of \$125,000 for the period beginning 1 December 1957 and ending 30 June 1958.

2. Contract will be a CFFF type. Scope will be the usual THERMOS work statements (I would like to see the statement in draft). Scope should include a sentence stating contractor will cooperate with other suppliers designated by the Contracting Officer. Also -- "such other work related to this area (scope of contract) of endeavor as the Contracting Officer may from time to time specify and the contractor be willing to perform." Provide for erection of certain facilities, purchase of equipment, modification of existing facilities, etc.

3. Patents to be left open for negotiation.

4. The attached letters from [REDACTED] of 19 November 1957 should be included in the scope of work by reference.

5. Also attached is a development proposal from Herb dated 12 September 1957. This is now only for historical purposes [REDACTED] file) since it is superseded by the attached letter to Dick from Herb dated 1 October 1957 which formed the basis for our present contract with [REDACTED]

6. Please consult with me on any problems which occur to you.
